

### **One-to-one practitioner mentoring**

I am offering this service to astrologers already in practice as a safe place to come to discuss any aspect of their work in confidence. My preference in this case is to support practitioners who already have a background in one of the more conventional occupations where they have learned how to deal sensitively and realistically with people, and/or who have some form of counselling training, and have gone on to obtain recognised astrology qualifications.

**However** – these are preferences, not rules! Any astrologer in practice who has a strong awareness of the need to work ethically and responsibly with appropriate awareness of their limitations as well as their talents, is welcome to contact me to discuss their mentoring needs.

#### **from Carole B:**

*'...I first met Anne Whitaker in 1999 as a new student of astrology... I am sure I would never have achieved as much were it not for her generous support and unwavering encouragement. She has a unique ability to see others strengths, talents and encourage them to fulfil their potential. Her influence as a teacher and mentor has been and still is uplifting, heartening and life changing...'*

#### **Fees:**

In person/ On-line support per hour: **UK:** £60 (online banking) /£65 (PayPal).

**Outside UK:** \$80 (PayPal)

**Note:** *I have set the same fee in this case as I pay for my own practitioner mentoring sessions.*

#### **Membership of professional bodies and supervision arrangements:**

I belong to the Association of Professional Astrologers International and am fully insured. My work is supervised by a very experienced, highly trained colleague who is both a psychodynamic therapist and a professional astrologer, teacher and writer.
