

One-to-one student mentoring

For some time now I have enjoyed extending the range of my teaching by offering in-person and online mentoring, where students studying with reputable schools, eg the UK Faculty of Astrological Studies, the Centre for Psychological Astrology Foundation Course, or the Mercury Internet School of Psychological Astrology (MISPA) can discuss any aspect of their studies in confidence, thereby providing all-important personal contact as a support to on-line and/or correspondence tuition.

Students can book monthly or bi-monthly sessions – or simply contact me on a one-off basis, when some input is needed to help clarify whatever aspect of their course work is causing them difficulty, or where some time and extra one to one teaching would help to work through any problem they might have.

Rena B (Canada): ‘...Working under Anne’s excellent guidance (during 2016/7), my astrological abilities strengthened and clarified most significantly...she has an uncanny ability to inspire and motivate while providing guidance from her vast reservoir of astrological knowledge...’

Fees:

In person/ On-line support per hour: **UK:** £50 (online banking) /£55 (PayPal). **Outside UK:** \$70 (PayPal). However, this is **negotiable** depending on the number of students, eg two students sharing a one-hour session would each pay **UK:** £30 (online banking)/£35 (PayPal). **Outside UK:** \$45 (PayPal).

Membership of professional bodies and supervision arrangements:

I belong to the Association of Professional Astrologers International and am fully insured. My work is supervised by a very experienced, highly trained colleague who is both a psychodynamic therapist and a professional astrologer, teacher and writer.
